The committee asked Ron Beveridge for a business plan to be presented at a future meeting. The committee is willing to provide support to this new project with particular emphasis on historical documentation.

6. Correspondence for Information/Announcements

6.1 Report from the Clerk regarding List of Heritage Names

Anne Burns-Bensch presented a report on the request from Daryl Bennett to re-name Charles Street in Eden Mills to Ramsey Street after Robert Ramsey. Research shows that Charles Street is really an unopened road allowance. The renaming would not happen because the road is currently unopened and the Township would not open a road to rename it.

The Committee recommended the Clerk ask Daryl Bennett to provide the Committee with another idea.
