

The Province of Ontario proclaimed the Development Charges Act on March 1, 1998. Subsection 2(1) of the Development Charges Act, 1997, enables the Council of a municipality to pass a By-law(s) for the imposition of development charges against land to pay for increased capital costs required because of the need for services arising from development of the area(s) to which the By-law applies and requires one or more of the actions set out in subsection 2(2) of the Act.
