SPECIFICATIONS

1. The bidder must include complete descriptive literature and specifications with their quotes.
2. Lowest or any quote will not necessarily be accepted.
3. The vehicles supplied must meet the provisions of the Canada Motor Vehicle Safety Act and the regulations made there under, which are in effect on the date of manufacture of each vehicle.
4. The vehicles supplied shall be a new only 2016 or 2017 year and model.
5. Any additions, deletions or variations from the following specifications must be stated. These specifications shall be construed as minimum. Should the manufacturer's current published data or specifications exceed these, they shall be considered minimum and shall be furnished. Manufacturers shall furnish evidence upon request that the model to be furnished has been commercially available through them to the trade for a period of not less than one year. Specifications also require that the bidder furnish descriptive literature, complete specifications, and all other necessary data on the vehicle one proposes to supply.
6. Vehicle license plates shall be supplied and installed by the successful bidder and registered in the name of the Township of Guelph/Eramosa.
7. Bidder must submit, on a separate form, full details of their warranty.
