Wellington County has declared a Significant Weather Event

WELLINGTON COUNTY – The County of Wellington has declared a Significant Weather Event due to the considerable snowfall and blowing snow. Travel is not recommended. If you do travel, do so at your own risk and exercise extreme caution. The County will deploy snow removal resources when it is deemed practical and safe to do so.

What is a Significant Weather Event?

A municipality can declare a Significant Weather Event when a weather hazard is approaching or occurring and has the potential to pose a significant danger to users of roads. This will allow County operations additional time to address the significant weather event and remain in-compliance with the Minimum Maintenance Standards regulation (Ontario Regulation 239/02 as amended).

County staff are closely monitoring the weather and will provide updates on [Facebook](#), [Twitter](#), and our [website](#).
