

Dear Resident:

RE: Email of Future Water Bills

In an effort to become more efficient and effective in the processing of water bills, the Township of Guelph/Eramosa will be offering residents the opportunity to receive **water bills** by email as opposed to regular mail (Canada Post).

Receiving your water bills by email will allow you to easily file these documents electronically for future reference. Furthermore, you will be able to access these bills wherever you have access to your email.

Please note that overdue statements will continue to be delivered by Canada Post. At this time only water billings will be sent by email.

We understand that all residents may not be able to take advantage of this service and there is absolutely no requirement to sign-up for this service.

To sign-up for emailing of water bills, effective July 2017, please provide the following information and authorization: (PLEASE PRINT CLEARLY)

Water Account #: _____ Telephone #: _____

Name: _____

Address: _____

Township/City: _____ Postal Code: _____

Email address: _____

(PLEASE PRINT CLEARLY)

I, _____, authorize the Township of Guelph/Eramosa to transmit all future water bills to the email address provided above. I understand that I will not automatically receive water bills by regular mail and that failure to receive a water bill does not excuse me from the responsibility of payment of water, nor relieve me from the liability of penalty for late payments. I accept responsibility for contacting the municipality with any future change in my email address.

Important: If you do not receive your water bill, please check your email junk mail folder.
