## **Condition of use**

## **Liability and Insurance**

- Insurance is required to protect the renter from any unforeseen incident that may
  occur during the rental. The insurance protects the renter as well as the
  municipality from unforeseen bodily injury, property damage, and personal injury
  due to activities that occurred during the rental contract. It remains the responsibility
  of the renter to manage and control the special event, and if necessary; take
  appropriate actions, including stop-service of beverage sales, ending the event,
  vacating Municipal property, and ensuring safe transportation options are provided
  for guests.
- Every rental is required to have a valid \$5 Million liability policy for the duration of your rental. You can purchase this on-line from <u>DUUO Insurance</u> or you can add the Township of Guelph/Eramosa as an additional insurer to your own insurance policy. Price varies.

## **Loss or Damage**

- The Township of Guelph/Eramosa cannot be held responsible for the safe keeping of equipment, displays, supplies, written material or other valuable items left in meeting and event spaces.
- A \$200 or \$500 damage deposit (depending on the venue you have rented) is required the week before your rental. This payment must be separate from your rental fee. Your damage deposit will be returned following your event unless damage has been done to the facility and after a Township staff has inspected the hall. Keys must be returned before your damage deposit is returned.

## **Food and Beverages**

- We do not provide a catering service, if you have rented the kitchen in addition to the hall you are welcome to use an outside catering service.
- If you have rented the kitchen in addition to the hall and plan to serve food and/or nonalcoholic beverages, we recommend you have Safe Food Handling training. <a href="https://www.foodsafetytraining.ca/">https://www.foodsafetytraining.ca/</a>
- You are welcome to have alcohol at your event. Please see the list of requirements/rules below.

### **Events including Alcohol**

- The renter is responsible for the purchase of a Special Occasions Permit from the Alcohol and Gaming Commission of Ontario.

- Harassment, bullying or disrespect towards Township staff will not be tolerated and will result in your event being shut down.
- No alcohol is to be consumed until bartenders arrive on site. Failure to comply with this rule may result in the non-service of alcohol at your event.
- The renter is responsible to provide everything for the bartenders to serve (ie.
  ice, plastic cups, lemons, limes, menu, etc.)
- No glass bottles or glass cups may be used at the event. (Wine glasses may be used while seated at table)
- Bartenders do not take payment for drinks, please have a designated person to handle cash if you are not having an open bar.
- The bar area is to be completely cleared out when the event is done, please do not leave anything behind including ice.
- A copy of the Special Occasions Permit as well as receipts for all alcohol that is being served must be provided to the bartenders and kept in the bar area for the duration of the event. Alcohol that is not accompanied by a receipt will not be served.

## Clean-up

• The renter is responsible for completing as much clean-up as possible. This includes removing all decorations and debris, clearing and wiping down all tables and chairs, and placing all garbage in the garbage bins located at the rear of the facility. All facility-owned tables and chairs must be returned to their designated storage rooms. If the kitchen is used, all equipment must be thoroughly cleaned and properly put away. Clean-up must be completed immediately following the event, unless prior arrangements have been made. Failure to leave the facility in the condition in which it was found may result in forfeiture of the damage deposit.

## **Parking**

 Free parking is available on site for all halls, however all halls are located on municipally owned parks and parking is shared by all.
