# MEMORIAL TREE AND BENCH PROGRAM

## Guelph/Eramosa Memorial Program

The Township of Guelph/Eramosa memorial tree and bench program allows family and friends to provide a unique dedication to a loved one by placing a tree or bench in one of our many parks or green spaces.

The bench program allows donors to memorialise a loved one directly on the bench. The tree program allows donors to plant a tree in one of our many parks and green spaces with memorialisation taking place on a community monument at Rockmosa or Marden Park. The gift of a tree is a lasting contribution to the community that will benefit and enhance our natural environment and increase our urban tree canopy for generations to come.

Receipts for donations will be made in accordance with the rules and regulation of the Canadian Revenue Agency.

Send donation requests or questions to the Parks and Recreation Administrative Assistant by email to [kchiasson@get.on.ca](mailto:kchiasson@get.on.ca) or by calling 519.856.9596 x113.

### Memorial Bench Detail

The Township has selected a standardized bench for our memorial bench installations. The bench is 6' long using recycled plastic slats mounted on 2" black powder coated steel. The bench will be installed on an 8'x4' concrete pad. A standardized bronze 3" x 12" memorial plaque with your inscription will be installed on the center of the bench back rest.

## Memorial Costs

### Benches

There is a cost of \$2300 for each bench. Cost includes bench, cement pad, installation, bronze memorial plaque and ongoing maintenance.

There is a cost of \$650 for each tree planted. Cost includes a tree that is a minimum of 45mm in diameter. The tree will be planted at a park or green space of your choice and a memorialisation inscription will be made on a community monument at Rockmosa or Marden Park.
