No **person** shall **use** any land or **construct, alter** or **use** any **building** or **structure**, or part thereof, except in conformity with the provisions of this By-law. Further, no **person** shall sever any lands from any **existing lot** if the effect of such action is to cause the original, adjoining, remaining or new **building, structure** or **lot** to be in contravention of this By-law.

2.2 Compliance with Other By-Laws

Nothing in this By-law shall relieve any **person** from the obligation to comply with the requirements of any other By-law of the Municipality or the obligation to obtain any other license, permit, authority or approval lawfully required by a government authority having jurisdiction to make such restrictions.

In the event of conflict between this By-law and any other By-law, this By-law shall prevail.

1. on a first conviction to a fine of not more than \$25,000; and
2. on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the **person** was first convicted.

Where a corporation is convicted, the maximum penalty that may be imposed is,

1. on a first conviction a fine of not more than \$50,000; and

2. on a subsequent conviction a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted

2.5 If By-Law Provisions Held Invalid

If any provision of this By-law, including any part of the Zoning as shown on the Zone maps, is for any reason held to be invalid, it is hereby declared to be the intention that all the remaining provisions shall remain in full force and effect until repealed.

2.6 Public Acquisition

No **person** shall be deemed to have contravened any provision of this By-law by reason of the fact that any part or parts of any **lot** has or have been conveyed to or are required by any public authority.

2.7 Remedies

Where any matter or thing is required to be done by a **person** under the provisions of this By-law, **Council** may direct that in default of its being done by that **person**, such matter or thing shall be done at the expense of the **person** in default and may recover the expenses thereof with interest permitted in accordance with the Municipal Act.

2.10 Interpretation of Zone Boundaries

Where any uncertainty exists as to the location of the boundary of any of the said Zones, as shown on the Zoning Maps, the following rules shall apply:

1. Where any Zone boundary is indicated as following a highway, a **street**, **lane**, watercourse or railway right-of-way, such Zone boundary shall be construed to follow the **centre line** of the **street**, **lane**, watercourse, or railway right-of-way.
2. Where Zoning boundaries are indicated as approximately following **lot lines**, such **lot lines** shall be deemed to be the said boundary.
3. Where Zoning boundaries are indicated as approximately parallel to the line of any **street** and the distance from such **street** is not indicated, such Zoning boundaries shall be construed as being parallel to such **street** and the distance therefrom shall be determined by the use of the scale shown on the Zoning maps.
4. Where Zoning boundaries follow the corporate limits of the Municipality, the corporate limits are the boundary.
5. Where Zoning boundaries follow a shoreline, the boundary is the shoreline.

Where any Zone boundary is left uncertain after application of the provisions as noted above, then the boundary line shall be determined and measured according to the scale on the Zoning Maps, unless a By-law schedule provides greater accuracy.

In the event of a **street**, **lane**, private road, or road allowance, shown on the zone maps, is closed, the lands formerly in said **street**, **lane**, private road or road allowance shall be

included within the zone of the adjoining property on either side of said closed **street, lane**, private road, or road allowance unless:

- a) the said **street, lane**, private road, or road allowance was a zone boundary between two or more different zones, in which case the new zone boundary shall be the former centerline of the closed **street, lane**, private road, or road allowance; or
- b) the land formerly included in such **street, lane**, private road, or road allowance is purchased in its entirety by an abutting landowner, in which case the land shall be included in the same zone as that of the abutting landowner purchasing said land.

2.11 Special Provisions

Where the Zone symbol applying to certain lands as shown on Schedules "A" and "B" is followed by reference to Section 21 of this By-law, then special provisions apply to such lands and such special provisions shall be found by reference to that Section of the By-law specified. Lands denoted in this manner shall be subject to all the restrictions of the Zone except as otherwise provided for by the special provisions.

2.12 Holding Zones

Where the Zone symbol applying to certain lands as shown on Schedule "A" is followed by the letter "H" in parentheses (i.e. RR (H)) the lands have been placed in a "Holding Zone" pursuant to Section 36 of the Planning Act, as amended. The Holding Symbol "H" shall be removed at such time in the future when plans to develop the lands have been submitted and approved by the **Corporation** or such other conditions as deemed appropriate by the **Corporation** have been met. When the Holding Symbol has been removed, the lands shall be developed according to the requirements of the Zone used in conjunction with the Holding Symbol.

Notwithstanding the above, non-structural **agricultural uses, existing uses**, open space **uses**, an **existing detached dwelling** and **accessory uses** thereof, shall be permitted as interim **uses** on lands in a "Holding Zone", until the Holding Symbol "H" is removed.

2.13 Technical Revisions to the Zoning By-Law

Technical revisions may be made to this By-law from time to time without further public notice or Council approval. Technical revisions include:

- a) Correction of numbering, cross-referencing, grammar, punctuation or typographical errors or revisions to format in a manner that does not change the intent of a regulation; or

- b) Adding or revising technical information on maps or schedules that does not affect the zoning of lands.
